LAST WEEK'S MEETING

WAS GOOD!!! Let's make it GREAT! - I mean in the attendance and involvement (over 30 at this meeting). I think we have a Finemaster that could compare with the great ones of years past (Bob Doucette, Dick Forest....). Should we make John Garrett permanent finemaster???

We were fortunate to have two fine Junior Rotarians at the last meeting. Jennifer Comer is a soccer player and track captain. She is very active in Interact. She is a member of TOPS soccer program. She is planning on attending Westfield State.

P. J. Russo is captain of the soccer team and the track team. He has been a very active member of Interact for three years. He also coaches soccer and basketball teams.

Again the attendance was GOOD last week. KEEP IT UP and let's add to our membership.

Finally, any items you want in the Keyway—let Bill Doyle know. Next issue should have some old jokes and memories from the past. Stay tuned!

Safe trip to Donna Wayman and Mary Whitney as they head for San Diego for the International Assembly where Donna will finish her District Governor training and Mary will be in training as the Governor's Aide.

ROTARY FOUNDATION—EREY

Every Rotarian—Every Year! Our club President set a goal this year of \$2,500.00 towards the Rotary Foundation. So far to date our club has only been credited with \$100.00 donation. Did you make your contribution yet for this year? Numbers are down in the District as everyone appears to be holding off on making their donations. Why wait? You can do on-line today at www.rotary.org and sign in under Member access. You need your membership ID number which is located on the cover of your Rotarian magazine. Don't put our great foundation programs in jeopardy. Remember some of this money you donate comes back to the District to fund the Ambassadorial Scholar programs, GSE exchange and the District Designated Funds and more. (That is how we got the money last year for the Christmas project!)
