You and your family are in our thoughts and prayers.</p> |
| <p>A reminder: If you prefer to get your "Keyway" by internet, contact Bill Doyle.</p> | <p>MEETING OF FEBRUARY 22ND</p> <p>Attendance was very sparse, only 22 members present. Those not there missed a great talk by the New England spokesperson, agent of A.T.F., Jim McNally, a local boy who made good. He explained in detail all the methods used by A.T.F. to keep track of all the wrong doings in the country. The A.T.F. is one of the largest law enforcement units in the world. Including a unit called "National Tracing Center", which can trace firearms 24 hours a day, 7 days a week, and can get right to the source.</p> |
| | <p>NEW MEMBERS</p> <p>We seem to have people interested in joining our club. Talk to the membership chair and other officers to get the proper papers and procedures so things will go smooth for them.</p> |
| | <p>(This little story would be good for new members and old members. Reprinted from April 1970.)</p> <p>"LUNCHARIANS?"</p> <p>"Are we Rotarians or "Luncharians?" Many clubs have a number of the latter gentlemen. They can be distinguished by their attendance at lunch and their absence from every other activity of the club. A Rotary club should have a balanced membership, not only balanced with classifications, but balanced in all committees and activities it undertakes with all projects and work shared equally between members.</p> |
| | <p>TIDBITS</p> <p>Don't forget to advise the Editor of anything we should print in the "Keyway".</p> <p>Donna and Mary have returned from the International Assembly and hopefully will be speaking soon at the club to share their wonderful experience. In case you haven't heard the new theme for next year is "Lead The Way". And I am hearing that the new Governor's blazers for next year are teal blue. Any more information will have to wait to hear from Donna and Mary. Welcome back Donna and Mary!</p> |
