He has spoken to us before, but this time he brought a camera crew from Channel "5" Chronicle to film his presentation. It will be on Chronicle some time in March, called "Do-it-yourself show". Watch for it.</p> <p>He is very talented, a freelance bassist who has performed with the Boston Symphony and the Boston Pops. He was also the producer of some of these concerts, along with writing books about the working together of musicians and conductors, some humorous and some not. It was a good program. Thanks to Victoria Ellsworth for her good job of putting it together.</p>
 <p>HAPPY BIRTHDAY TO ALL!</p>	<p>NEW INTERACT MEMBERS</p> <p>Courtney Browne—A basketball player who's involved with Interact, Bread & Roses and a member of the National Honor Society. She is planning to major in elementary education and psychology at Westfield State next fall.</p> <p>Brian Wilson— A soccer player and wrestler for 4 years in high school. A member of the Interact and Bread & Roses. He is planning on going to Penn State University and major in architectural engineering.</p>
	<p>SPECIAL STORY FROM THE OLYMPICS IN ITALY</p> <p>One of our Past Presidents went to the Olympics. Being good, he brought his office girls some "Dolls" (the kind that speak when squeezed) "Well" - Going thru security at the airport somehow it got squeezed and said "ok we are all set, let's get out of here" (the doll). So there was panic, but our P.P. in his usual way got out of trouble with ??? (charm I think they call it). Right Fic.</p>
	<p>SPECIAL NOTES</p> <p>August 17, 2006 is the Spinners Ball Game. See Donna Wayman (our Governor). She has plans to expand the usual group to make it a District affair. She reserved 200 tickets. Of which, 65 tickets are premium for Wilmington Rotary Club members only.</p> <p>April 8, 2006 - Interact breakfast. Jack Cushing will have more details.</p>
