There were 166 countries represented. The International Assembly is where all of the DGE's from around the world are flown in for the last of their District Governor training. Donna and Mary, joined by President Elect John Vassallo just returned from three days at PETS too!</p> <p><b>MEETING OF MARCH 15TH</b></p> <p>We were privileged to have our own incoming District Governor Donna as the speaker today. Donna shared her experiences at the International Assembly and brought her many gifts for all of us to see. By listening I would say that Donna and Mary thoroughly enjoyed this adventure. They shared their pictures and noted that all the outside pictures that were there were taken from the window in their room as that was all they were able to see of San Diego. They were in plenary and break out sessions from morning until night. Donna shared her experiences and excitement of meeting with Rotary International President Elect Bill and Lorna Boyd.</p> <p>Donna shared with us the emphasis of RIPE Bill for the upcoming Rotary year. Membership (net one—as RIPE Bill feels that we should concentrate on membership retention), Water, Health and Hunger, Literacy and Family of Rotary.</p> <p>Donna also modeled her new Governor's blazer and we were able to get a sneak peak at the new banners for the upcoming year. Donna is also very excited about the new theme, "<i>Lead the Way</i>", for the upcoming year. Way to go Donna &amp; Mary!</p>
