There is 350 tickets this year. So rather than putting them in your desk saying "I have plenty of time", check with your customers and get a commitment. We don't want to get stuck in the middle of November with a pile of tickets. If you have any problems, let us know early enough to sell them. Also, remember you can sell them in combinations (10—\$10.00, 5-\$20.00, etc). Bill Doyle and Bill Llston will be working together, see either one if you have a problem.</p> <hr/> <p>AUCTION</p> <p>Another meeting was held Tuesday the 29th. It was very well attended. Let's get our donations going. Next meeting is September 12th. Let's get there and give Joe Bilicki some help. Remember many hands make light work. (my favorite expression) Enclosed is a donation form and ad form. Follow directions and get it done now. (Better early than late)</p> <p>If anyone has any old prescription bottles, we could use them for extra 50 tickets in the tumbler. Start saving - see Bill Doyle.</p> <p>This whole thing sounds like a lot of work. It is but, "we've done it before and we can do it again" (Free coffee at regular meeting, if you know what this is.)</p> <hr/> <p>DISTRICT GOVERNOR TIDBITS: Miss you all! Did you see page 37 of the newest Rotarian? I am getting fined across the District for that picture. At least I have proof I went to Denmark. Bad hair day!! With 95+ degree temps and high humidity and no air conditioning—what can we expect? I have finished 21 club visits as of today—only 26 more to go!! I urge you all to go out to other clubs and do make ups. We have some GREAT clubs in this District. I realized we miss a lot by staying just within our own club. Just finalized our next "Family of Rotary" event. A bowl-a-thon to take place on March 7th at the Bowling Center in Gloucester owned by Don Sudbay, the President of the Gloucester Club. We will be looking for teams of 5 to enter and we will have trophies to give out at the end. And as DG I was told I could have bumpers in the gutters on my lane. I'll be looking to put together at least one team. Start practicing your bowling. Do we have any great bowlers in our club??</p>
