Doug and his team spent a month there. We enjoyed every bit of Doug's presentation. Talking with Doug after the meeting, he made a point to tell me that the key to membership and involvement is to have the younger newer members recruit through their contacts and bring in some more younger and newer members. This is what will build the club!</p> <p>Enclosed find the quarterly meal form. Send with a check to Joyce Brisbois!</p>

Ray attended the Burlington Breakfast Rotary Club on Thurs., 9/14 to see me! It was great seeing a smiling face in the audience during my presentation! We had a glitch last week with Bermuda. Mary and I left on Tuesday evening to come home and on Thursday afternoon they announced to the press that the Wyndham is closing on Oct. 31st until the spring of 2009! The Lehman Brothers have purchased and are planning a \$200 million renovation. We are in process of being relocated to either Elbow Beach Club or Southampton Fairmont. The Wyndham is working on having either of these hotels honor our contract. More details will be forthcoming!!</p>
