Rotary After Dark—August 27th

Wilmington Rotary Club will be hosting our first “Rotary After Dark” meeting at the Wilmington Masonic Lodge at 5:00 PM on Wednesday 8/27/08. We will not have a lunch meeting at Rocco’s on this day.

The idea behind Rotary After Dark is to change the dynamics of the meeting and allow more time for unstructured mingling and conversation. This makes it an ideal time to bring a guest as there will be ample time for your guest to meet more of the members.

In addition we will take advantage of the opportunity to have speakers that would not be possible at Rocco’s. For our first speaker, we have arranged for a demonstration by the Wilmington Police Department’s K9 unit. I have been told that they put on an interesting and entertaining display of police work.

We will have Beer and Wine available as well as soft drinks and coffee to accompany our meal of pizza and calzones from Rocco’s.

Family day at Rotary Park

The family day planning committee has targeted Saturday Sept 20th for our annual family day cookout at Rotary Park. Please reserve this afternoon on your schedule now. There will be more details to

come on this fun day at the park, but at the bare minimum we will have a cookout, and a bunch of fun activities for our families to enjoy. With any luck this year, we will not have triple digit tempera-

tures to deal with.

If this date will not work for you, please let Steve Bjork, Holly Nahabedian or Margaret Dougherty know.
